JETPlan Elective 6	JETPlan Elective 8

**Student NAME:** \_\_\_\_\_

**JPC ID Number:** \_\_\_\_\_

## Year Seven and Eight Junior Education and Training Plan @ JPC

### JPC JETPlan COMPULSORY SUBJECTS:

Each student will undertake SIX JETPlan compulsory subjects in **Year 7** and **Year 8**. English, Mathematics, Science and Health and Physical Education will be year-long courses at both year levels. History and Geography will be scheduled for one semester each year.

### JPC JETPlan ELECTIVE SUBJECTS:

Each student will undertake FOUR JETPlan elective subjects in Year 7. Two JETPlan electives will be scheduled during Semester One and the other two will be scheduled during Semester Two.

Each student will undertake FOUR JETPlan elective subjects in Year 8. Two JETPlan electives will be scheduled during Semester One and the other two will be scheduled during Semester Two.

Students are required to rank the elective subjects in their order of priority.

Please complete this form and use it as your guide for completing the online web preferences form at the link provided by email from... [noreply@selectmysubjects.com.au](mailto:noreply@selectmysubjects.com.au)

Please **rank** the following JETPlan **ELECTIVE** subjects **in order of priority from 1 to 10 with 1 being the subject most important to you. Students are encouraged to study a language elective and must study at least TWO Technology courses and at least TWO Arts courses during the two-year period spanning across the four semesters of Year 7 to Year 8. All students will be assigned four electives for Year 7 in 2025 and four electives for Year 8 in 2026.**
